

# PRIVATE WORK PARTIES

## SCHEDULE A TIME FOR YOUR GROUP TODAY!

Each spring and fall, NSEA hosts Community Work Parties across Whatcom County on Saturdays from 9 am-12 pm. However, if these community events are not the right fit for your group, consider requesting a Private Work Party. Scheduling is based on availability and NSEA staff capacity and resources, and the restoration site is determined by salmon recovery priorities and accessibility.

### Restoration tasks may include:

-  Planting native trees and shrubs
-  Mulching at a restoration site
-  Removing invasive vegetation
-  Picking up trash

### Opportunities are available for:

-  A minimum of 15 volunteers
-  All ages and experience-levels
